JUSTIFICATION AND APPROVAL

FOR OTHER THAN FULL AND OPEN COMPETITION

1. Contracting Office: Defense Commissary Agency (DeCA), Resale Contracting Directorate, (MPR), Fort Lee, Virginia

2. Type of Contract Action: Modification of contract HDEC02-06-D-0003 with Carytown Seafood. This modification will extend the period of performance for the current J & A from its expiration of September 30, 2012, to October 31, 2012, a one-month extension. The contract type is a requirements type. The Resale Stock Fund Activity, Defense-Wide Working Capital Fund, provides funding.

3. Description of Supplies/Services: This action will provide uninterrupted operation of seafood markets at Andrews AFB, Fort Meade, Maryland; Bolling AFB, DC; Fort Belvoir, Quantico MCCDC, Langley AFB, Little Creek NAB, Fort Lee, Norfolk NB, and Fort Eustis, Virginia. The total estimated value for this Amendment, including the previous extension periods and the additional one-month extension period (11 months total) is \$ 4,943,991.00.

4. Authority Cited: 10 U.S.C. 2304(c)(1), in accordance with FAR 6.302-1, only one responsible source and no other supplies or services will satisfy Agency requirements.

5. Reason for Authority Cited: Concerns raised by a higher level of review of two deli/bakery operations recommended awards made it imperative to assign additional time and resources to identifying a solution. Consequently, the delayed award of the aforementioned procurements impacted the scheduled award of the follow-on requirement for this contract. It is now necessary to amend this J & A to include an additional extension of a one month period to accommodate the award process. The original J & A and Amendments 0001, 0002 and 0003 are hereby amended to include an additional extension period of one month (Amendment 0004) for this contract. Anticipated award for the follow-on procurement is October 2, 2012, with the anticipated start date for performance on November 1, 2012.

In the absence of a contract extension, seafood market operations will cease in the stores utilizing this contract. Inevitable and irrevocable damages to the Agency in the form of sales lost and reduced operating funds will negatively impact the Agency mission to provide a benefit to military members and their families. The commissary benefit is a cornerstone of the military quality of life. Therefore, it is essential that DeCA provides fully operational commissary stores, to include the seafood market operations, and that DeCA takes appropriate action to maintain the current source of those operations.

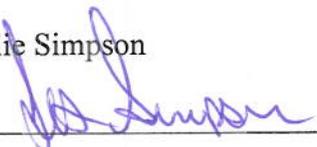

Carytown Seafood has been performing this contract successfully since 2006. Based on the past performance information provided by the stores covered by this contract, Carytown Seafood is providing the products and services required by the contract. Carytown Seafood is the only known source that is available to operate the seafood markets in these commissary stores for this extension period.
