JUSTIFICATION AND APPROVAL
FOR OTHER THAN FULL AND OPEN COMPETITION

1. Contracting Office: Defense Commissary Agency (DeCA), Resale Contracting Directorate, (MPR), Fort Lee, Virginia

2. Type of Contract Action: Modification of contract HDEC02-06-D-0003 with Carytown Seafood. This modification will extend the period of performance for the current J & A from its expiration of February 29, 2012, to April 30, 2012, a 2 months extension. The contract type is a requirements type. The Resale Stock Fund Activity, Defense-Wide Working Capital Fund, provides funding.

3. Description of Supplies/Services: This action will provide uninterrupted operation of seafood markets at Andrews AFB, Fort Meade, Maryland; Bolling AFB, DC; Fort Belvoir, Quantico MCCDC, Langley AFB, Little Creek NAB, Fort Lee, Norfolk NB, and Fort Eustis, Virginia. The total estimated value for this Amendment, including the previous extension period and the additional 2 months extension period (4 months total) is \$2,247,268.80.

4. Authority Cited: 10 U.S.C. 2304(c)(1), in accordance with FAR 6.302-1, only one responsible source and no other supplies or services will satisfy Agency requirements.

5. Reason for Authority Cited: Contract HDEC02-06-D-0003 was scheduled to expire on November 30, 2011. Due to long term shortages of resources within the division to handle the work load compounded by two protests on other procurements, the solicitation, HDEC02-10-R-0012 was issued July 28, 2011, to accommodate the follow-on procurement. After the release of the solicitation it became necessary to extend the closing date from August 31, 2011, to September 8, 2011, to address questions by offerors regarding the requirement items specifications and to change the language in the solicitation to clarify the items specifications. The first J & A extended this contract from the previous end date of November 30, 2011, to the end date of February 29, 2012, with an anticipated award for the follow-on procurement on January 15, 2012, and a start date for performance on March 1, 2012. However, this procurement was further delayed, as a result of questions arising in the proposal evaluation process, making it necessary to conduct discussions. An extension of this contract is now crucial to ensure continuation of the services provided under the contract. Therefore, the previous J & A is amended to include an additional extension of 2 months for this contract. Anticipated award for the follow-on procurement is April 1, 2012, with the start date for performance on May 1, 2012.

In the absence of a contract extension, seafood market operations will cease in the stores utilizing this contract. Inevitable and irrevocable damages to the Agency in the form of sales lost and reduced operating funds will negatively impact the Agency mission to provide a benefit to military members and their families. The commissary benefit is a cornerstone of the military quality of life. Therefore, it is essential that DeCA provides fully operational commissary stores, to include the seafood market operations, and that DeCA takes appropriate action to maintain the current source of those operations.

Carytown Seafood has been performing this contract successfully since 2006. Based on the past performance information provided by the stores covered by this contract, Carytown Seafood is providing the products and services required by the contract. Carytown Seafood is the only known source that is available to operate the seafood markets in these commissary stores for this extension period.
