Section SF 1449 - CONTINUATION SHEET

ADDENDUM TO 52.212-4

The following paragraphs have been changed/added to FAR 52.212-4 Terms and Conditions – Commercial Items.

1. Administrative Modifications:

The government may issue unilateral written modifications that do not affect the substantive rights of the parties. Examples of administrative modifications are corrections in the payment office address or changes to the accounting and appropriation data.

2. Payment Procedures:

Contract payments will be processed electronically via EFT through the Defense Finance and Accounting Service (DFAS). Prior to DFAS releasing any contract payment, the contractor must submit a proper invoice using Wide Area Work Flow (WAWF) electronic commerce. After a proper invoice is received, a Government representative will acknowledge acceptance and receipt. After all items are properly submitted, the contract payment will be processed via DFAS electronically.

For additional WAWF information, see clause 252.232-7003 ELECTRONIC SUBMISSION OF PAYMENT REQUESTS AND RECEIVING REPORTS (MAR 2008).

Clause FAR 52.213-1, Fast Payment Procedure, applies only to shipments destined for locations outside the continental U.S. (See 5. below.)

3. Period of Performance:

Base Year: December 1, 2010, through October 31, 2011
Option Year 1: November 1, 2011 through October 31, 2012
Option Year 2: November 1, 2012 through October 31, 2013
Option Year 3: November 1, 2013 through October 31, 2014

4. The minimum dollar amount that the Government guarantees will be purchased per year under each contract and the maximum dollar amount per year are listed at the end of the Schedule of Supplies/Services. The anticipated quantity stated within the CLIN for the base and option years is the maximum quantity anticipated to be ordered for that item for all contracts awarded. That maximum quantity can only be changed by contract modification. If the option year is not exercised, the Government also does not guarantee any minimum dollar amount purchase for that period.

5. Delivery:

Delivery orders will be issued and accessed through the Electronic Document Access System (EDA) <http://eda.ogden.disa.mil>. Contractors must complete the on-line registration available at the website in order to retrieve documents displayed there.

Delivery is required 30 days after receipt of delivery order. Delivery to commissaries shall be made between the hours of 7:00 am and 3:00 pm local time, Monday through Friday, excluding official Government Holidays. Delivery orders will contain the delivery location and any other necessary delivery instructions. The contractor can find the delivery address and points of contact information for each store at www.commissaries.com

6. Shipping:

Some delivery locations may require packaging and preparation for overseas shipment, but the contractor is responsible only for shipment to the port. Equipment destined for overseas shipment will be wrapped, blocked, and

braced using best commercial practices so that the equipment arrives at destination without damage. Each Outside Continental United States (OCONUS) delivery order will include packing and marking instructions to the shipping port specified in the order. The contractor shall mark each shipment with the name of the contractor, contract number, and requisition number.

7. Be advised that this contract will be posted on <http://www.commissaries.com/business/contracting.cfm> at two distinct points during the procurement cycle:

(1) RECENT CONTRACT AWARDS - The first posting will take place immediately after the contract is awarded and will contain only the base year pricing.

(2) HISTORICAL PRICING - The second posting will take place when it is time for re-solicitation of an existing contract and will contain all CLINs and Sub-CLINs prices of the base period and all exercised options of the contract which is about to expire and is being re-solicited.

8. The Order Fair Opportunity Decision Summary for delivery orders to be issued under the multiple award contracts is at Attachment A. This procedure applies to orders less than \$100,000.00. For orders over \$100,000.00 all contract holders will be provided a request for quotations which will specify award decision criteria.
