NOTICE TO THE TRADE – DeCA NOTICE 05-116

SUBJECT: Category Review Schedule – Changes

The purpose of this Notice to the Trade (NTT) is to provide changes that will be incorporated into the Marketing Business Unit's category review schedule for 2006. These changes are the result of industry input requested in DeCA Notice to the Trade 05-60, *Category Review Schedule – Request for Industry Input*, dated February 11, 2005.

These changes are provided in the attachment to this NTT. Many thanks to our industry partners who showed an interest in our category review schedule and provided comments for consideration. There were a number of excellent suggestions that have been incorporated into this schedule. The full category review schedule for 2006 will be published later this year in the fall.

The point of contact for this action is Mr. Delbert Myrick, Deputy Director of Sales, at 804-734-8240.
