Section SF 1449 - CONTINUATION SHEET

52.212-4 ADDENDUM

**FAR 52.212-4 ADDENDUM
CONTRACT TERMS AND CONDITIONS – COMMERCIAL ITEMS**

The following paragraphs have been changed/added to FAR 52.212-4 Terms and Conditions – Commercial Items.

1.) Changes.

ADMINISTRATIVE MODIFICATIONS: The Government may issue unilateral written administrative modifications that do not affect the substantive rights of the parties. Examples of administrative modifications are corrections in the payment office address or changes to the accounting and appropriation data.

2.) Payment.

Contract payments will be processed electronically via EFT through the Defense Finance and Accounting Service (DFAS). Prior to DFAS releasing any contract payment, the contractor must submit a proper invoice using Wide Area Work Flow (WAWF) electronic commerce. The contractor may invoice separately each month by CLIN and its associated sub-CLINs (by store). After a proper invoice is received, a Government representative will acknowledge acceptance and receipt of the service via WAWF. After all items are properly submitted, the contract payment will be processed via DFAS electronically.

The contractor must access the WAWF Vendor Tools on the DFAS website and complete the requirements to obtain an active WAWF account. This will allow the contractors to submit invoices via WAWF so that payments can be processed electronically through EFT.

For additional WAWF information, see clause 252.232-7003 ELECTRONIC SUBMISSION OF PAYMENT REQUESTS AND RECEIVING REPORTS (MAR 2008).

3.) Be advised that the contract resulting from this solicitation will be posted on <http://www.commissaries.com/business/contracting.cfm> at two distinct points during the procurement cycle:

(a) **CONTRACT AWARD** - The first posting will take place immediately after the contract is awarded and will contain only the base year pricing.

(b) **HISTORICAL PRICING** – The second posting will take place when it is time for re-solicitation of the existing contract and will contain all CLINs and Sub-CLINs prices of the base period and all exercised options of the contracts which are about to expire and are being re-solicited. The J&A will be posted at that time also.

4.) Period of Performance:

- Base Year: May 1, 2010 – April 30, 2011
- Option Year 1: May 1, 2011 – April 30, 2012
- Option Year 2: May 1, 2012 – April 30, 2013
- Option Year 3: May 1, 2013 – April 30, 2014
