JUSTIFICATION AND APPROVAL
FOR OTHER THAN FULL AND OPEN COMPETITION

1. Contracting Office: Defense Commissary Agency (DeCA), Resale Contracting Directorate, (MPR), Fort Lee, Virginia

2. Type of Contract Action: Modification of contract HDEC02-06-D-0001 with Northern Fish Products. This modification Amend 0003 will extend the period of performance for the current J & A Amend 0002 from its expiration of May 31, 2012, to June 30, 2012, a 1 month extension. The contract type is a requirements type. The Resale Stock Fund Activity, Defense-Wide Working Capital Fund, provides funding.

3. Description of Supplies/Services: This action will provide uninterrupted operation of Seafood markets at Bangor NSB, Bremerton, McChord AFB, and Whidbey Island, Washington commissaries. The total estimated value for this Amendment, including the previous extension periods and an additional 1 month extension period (7 months total) is \$839,407.52.

4. Authority Cited: 10 U.S.C. 2304(c)(1), in accordance with FAR 6.302-1, only one responsible source and no other supplies or services will satisfy Agency requirements.

5. Reason for Authority Cited: As a result of the previously identified document loss, division overall workload was stalled which lead to multiple actions being delayed, intensifying the ripple effect of the document loss and subsequent recreation impacted this action more than initially realized. As a result, HDEC02-06-D-0001 will require an additional month extension in order to proceed with the award. Therefore, we would like to amend the J & A to include an addition extension of one month. Thus, the original J & A and previous J & A's Amend 0001 and Amend 0002, are amended to include an additional extension of one month for this contract. Anticipated award for the follow-on procurement is June 1, 2012, with the start date for performance on July 1, 2012.

In the absence of a contract extension, seafood market operations will cease in the stores utilizing this contract. Inevitable and irrevocable damages to the Agency in the form of sales lost and reduced operating funds will negatively impact the Agency mission to provide a benefit to military members and their families. The commissary benefit is a cornerstone of the military quality of life. Therefore, it is essential that DeCA provides fully operational commissary stores, to include the seafood market operations, and that DeCA takes appropriate action to maintain the current source of those operations.

Northern Fish Products has been performing this contract successfully since 2006. Based on the past performance information provided by the stores covered by this contract, Northern Fish Products is providing the products and services required by the contract. Northern Fish Products is the only known source that is available to operate the seafood markets in these commissary stores for this extension period.

8. Market Research: No changes from the initial J&A.

9. Other Factors: No changes from the initial J&A.
