NOTICE TO THE TRADE – DeCA NOTICE 15-07 - AMENDMENT

SUBJECT: Mandatory Test for Everyday Low Pricing (EDLP) for Specific Categories in Overseas Commissaries

Notice to the Trade 15-07, dated January 9, 2015, subject as above, announced specific categories and DIBS commodity codes that DeCA will test with an EDLP pricing strategy for overseas commissaries. This amendment updates the DIBS commodity codes that will be tested in the household and cleaning supplies category.

Category	DIBS Commodity Code(s)
• Household & Cleaning Supplies	1501; 1504; 1507; 1510; 1513; 1514; 1515; 1516; 1517; 1518; 1519; 1520; 1526; 1528; 1531; 1533; 1534; 1537; 1538; 1539; 1548; 1701; 1703; 1704 1705; 1706; 1707

In addition, the Agency requests stock protection for the existing DeCA Central Distribution Center (CDC) products when the initial EDLP product lots are received.

All other information contained in the original NTT remains the same. My point of contact for this program is Mr. Gordon Jones, 804.734.8000 extension 48240.
