NOTICE TO THE TRADE-DECA NOTICE 18 - 70

SUBJECT: Fort Lee, VA, In-House Reset

The purpose of this "Notice to the Trade" is to advise our industry partners that DeCA will be performing the Fort Lee reset in-house. Please note that our **DSD** partners will be needed for the reset. This is a test of our DAX/IM rollout process and it will enable us to determine resources needed in future resets. DeCA's goal is to get DAX/IM in all stores in a short time frame and each store will require a total reset for the rollout.

If you have any questions or concerns, please contact Darnell Hicks, Lead, Marketing Directorate, 804-734-8000, extension 48293 or Dave Leffert, Chief Planograms and Resets, Marketing Directorate, 804-734-8000, extension 48566.
