NOTICE TO THE TRADE – DeCA NOTICE 18-77

SUBJECT: Your Healthy Lifestyle Festival 2019

The purpose of this Notice to Trade (NTT) is to provide details regarding the Healthy Lifestyle Festival 2019 ~ *Healthy Families! Healthy Pets!*

The Healthy Lifestyle Festival (HLF) 2019 will take place in June. While the primary dates for the festival occurs during display period 11, which runs June 3, 2019 – June 16, 2019, all industry partners are also encouraged to submit requests for display period 12 as well since it is a month long event. In doing so, do not forget that pets are also an integral part of not only families but healthy lifestyles.

The HLF will be a joint promotion where the Defense Commissary Agency (DeCA) will join each of the exchanges; Army & Air Force Exchange Service (AAFES), Navy Exchange (NEX), Marine Corps Exchange (MCX), and the Coast Guard Exchange (CGX).

By combining resources, ideas, and marketing efforts, the entire resale system can better serve the men and women of the armed forces and their families. As a resale system, we will be conveying a unified message that not only are we interested in the health and well-being of each of our service members and their families but also recognize that each of us play an integral role in maintaining the benefit provided by each entity.

Store specific festival dates will be released at a later time. All store management is encouraged to include your local exchange partners, industry representatives and Morale, Welfare, and Recreation (MWR) personnel in the planning of the festival. Please share any of your ideas that may be used to enhance the quality of this event.

Each store will receive a marketing kit around the first of May allowing ample time to advertise for this event. Also, the marketing directorate will promote via all social media platforms to ensure maximum exposure.
