NOTICE TO THE TRADE – DeCA NOTICE 20-17

SUBJECT: Update! Deployment Date Change - EBS Power Enterprise (PE)

The purpose of this notice is to inform Industry that the April 1, 2020 date published in NTT 19-67 for deploying DeCA's new financial business application, EBS Power Enterprise (PE), has changed. The new deployment date is **October 1, 2020**. All current ordering and rollup processes remain unchanged until **October 1, 2020**.

The specifications of the external financial interface between DeCA and the Defense Finance and Accounting Service are extremely complex. The Integrated Product Team (IPT) has determined that additional time is needed to develop this critical interface to its full potential in order to successfully deploy and sustain PE as DeCA's resale financial management system.

Questions regarding this NTT should be submitted by email to EBSquestions@deca.mil.

A handwritten signature in black ink, appearing to read "M. Dowling", is positioned above the printed name.
